5<sup>th</sup> September 2019

Dear Parent,

### **Year 11 Targeted Parents' Evening – Online Appointment Booking**

Following detailed reflection of the strategies which resulted in the outstanding results from our Year 11s last year we are very aware that progress is maximised through a close partnership between pupil, teacher and parent.

As per our school calendar, on **Tuesday 10<sup>th</sup> September 2019** we shall be holding our Year 11 Targeted Parents' Evening. This evening is not a full parents' evening but targeted specifically at those pupils and subject areas where we feel early communication is vital to maximise progress. Students are invited to accompany parents on this evening and are required to **wear their school uniform**.

**Please note that all teachers will be in either the Sports' Hall or the Gym. Entrance to school will be via Waterworks Lane and parking will be available on the school yard. Access will NOT be available through the Main Reception.**

Appointments for this evening are being made through our new online EdulinkONE system. This allows you to choose your own appointment times with teachers. Please note that the system will show all your child's teachers **but you should only make appointments with the teachers who are listed below:**

### **Details as per individual letter**

Access to our online system to book your appointments can be made through the EdulinkONE App or link on our website (top left corner of the home page). Login details for parents have been issued to pupils by letter this week. If you need a reminder of your login details please contact the ICT Support Team at school.

If you do not have access to the internet please contact Pupil Services who will be happy to add appointments on your behalf.

Yours faithfully,

**Miss N J Winnard**  
Assistant Headteacher
