1st November 2019

Dear Parent,

Every child at Golborne High School matters. One of the most important factors contributing to your child's success at school is the partnership between school, the student and their parent. When this three-way partnership is effective students are more likely to achieve better qualifications and are therefore more likely to access higher education, employment or training.

Year 7 can be a confusing time for students and parents with students embarking on different subjects and teachers and a new way of assessing your child's progress. We would like to invite you to a Review Evening on Tuesday 19th November 2019 commencing at 4pm. Students are invited to accompany parents on this evening and are required to wear their school uniform. The first set of Year 7 data will have been issued prior to the evening.

The primary aim of the evening is to provide Year 7 parents with their child's data and information about:

- What their pathway means to them
- How to read the data
- An opportunity to discuss any concerns with a member of staff.

Please make appointments using the online appointment booking system, Edulink. This allows you to choose your own appointment time with the tutor. Appointments can be made from 6th November and will close on 15th November. Should you wish to make any changes after this date please contact Pupil Services.

If you do not have access to the Internet please contact Pupil Services who will be happy to arrange the appointment on your behalf.

Yours faithfully

Mrs A K Bolton
