HIGH SCHOOL

Dear Parent/Guardian

I am delighted to attach the Ofsted Report from our most recent inspection which gives us the highest judgement that can be made under a Section 8 Inspection.

The purpose of a Section 8 is to determine whether a good school remains good. During Golborne's Inspection it was judged that there was enough evidence of marked improvement in performance to suggest that the school could be judged 'outstanding'. Therefore we will now be inspected again, within the next 2 years, under a Section 5 Inspection to confirm an outstanding judgement. I am proud and honoured to receive this judgement which is an accurate reflection of all of the hard work that the pupils, staff, Governors and you, as parents, have put into making this school a beacon of excellence for Golborne and Lowton children. I would like to thank the dedicated, diligent team of staff whose passion for teaching and commitment to providing our children with the very best opportunities is exceptional. I would also like to thank our pupils who without a doubt are the most positive, polite and utterly delightful children any teacher could ask to work with.

We now look forward towards 2020 with excitement and renewed passion for delivering an exceptional education for our children so that they can dream big dreams and achieve them with confidence.

Can I take this opportunity to thank you for your ongoing support of the school's vision and to wish you a peaceful, merry Christmas and a happy and prosperous New Year.

Yours faithfully

Mrs A Gormally
