5 Days Ago 13/09/19	Atomic structure core knowledge	Chemistry	08/09/19 09:39 10 days ago	Submitted	✓

Submitting Homework on Edulink

3. To submit your Homework. Click on the Homework you want to mark as submitted. A window will appear containing all assignments set by your teacher as-well as any attachments.

4. Click on the "Done" button and close the Homework via the "X" on the top right. You will then be returned to the "Homework" screen. You will notice that the Homework is showing as completed.
