HIGH SCHOOL

Safeguarding Guidance for Parents

Just to reassure you in these challenging times that we are still here and we are accessible. Make no mistake that all of our school staff will be continuing their commitment to safeguarding from wherever they are.

Contact

If you need to contact school for a safeguarding concern, we have set up a safeguarding email account which will be monitored at all times by our safeguarding team. The email address is:

safeguarding@golbornehigh.wigan.sch.uk

School will action safeguarding concerns just as they would as if they are in school.

Support

We would like to support you as much as we can. For our most vulnerable pupils and families we will endeavor to contact you at least twice a week and check you have everything you need and have the means to access the support you may need. We will liaise with our partner agencies to ensure you still feel supported by the school and beyond.

If you feel you wish to access support yourselves then you can refer to Wigan Safeguarding Hub. The details of which are on this link:

There is further information on the COVID-19 section of the school website
