Dear Parent/Guardian

I would like to wish you all a warm welcome back to a new academic year. Firstly, I would like to thank you for sending your children into school wearing the correct uniform with such pride. The staff and I have been delighted to see how positive and enthusiastic all of the pupils have been this week. Our new Year 7 pupils have settled in really quickly and it feels like they have always been part of the Golborne family.

I am delighted to inform you that our Year 11 pupils achieved incredible GCSE results. Golborne High School is once again at the top of the league tables and the highest performing school in Wigan for the fourth consecutive year. The Governors and I are incredibly proud of the pupils and staff and very grateful to the Year 11 parents who supported us last year. Outstanding results are a consequence of the partnership between pupils, parents and staff and a commitment from everybody to work together to achieve the very best for our pupils. I will be excited to follow the journey of our past pupils as they flourish on their career pathway.

The new term always brings changes in response to your feedback and that of the pupils. We have introduced our Top 100 reward system which will see far more pupils receiving recognition for their diligence, enthusiasm and commitment to The Golborne Way. We now have a new menu in place which the Food Champions designed last year, and the lunch queues are much quicker this year. We have also increased portion sizes and the daily pupil allocation as a result of your feedback. New toilets have been installed in ICT and on the playground and pupils can access toilets throughout the day. This year we look forward to offering the children an even broader choice of trips, visits and clubs and expanding their opportunities beyond the classroom.

It is a privilege to work in the Golborne and Lowton community and to interact, on a daily basis, with such delightful children. We look forward to working with you this year and to celebrating every success that the children achieve.

Yours sincerely
