26th May 2023

Dear Parent/Guardian

This Half-Term has been incredibly busy and we have much to celebrate in terms of the whole school success and the individual achievements of our talented young people. I would like to begin by praising our Year 11 students who have approached their GCSEs with positivity, hard work and commitment. The hard work they have put in over the last year has been rewarded and the Year 11 pupils have come out of their examinations very pleased with the papers and their performance. The exam series continues for another 2 weeks after Half Term and we have issued the schedule of Half Term classes to support Year 11 pupils. We are incredibly proud of our Year 11 pupils and their examinations.

It has been such a pleasure to celebrate the individual successes of our students. The talent is incredible, and I would like to thank our parents for continuing to email me with news of their children's achievements out of school. We also have some staff news to celebrate. Mrs Avci has given birth to a baby boy and Mrs Faure and Mrs Avery have given birth to girls. We are delighted for them and look forward to their return to Golborne High in 2024. We would also like to thank Mrs Cogley and Mr Coxon for their contribution to Golborne High School. Both members of staff are moving on to exciting new roles and we wish them the very best of luck for the future.

We have appointed new staff to both roles who will be starting with us in September. Until that point Mr Woods will be Head of PE and Westwood House will be led by Mr Falconer and Miss Barrett.

The Summer Term is always very busy with lots of events to engage with and many opportunities to celebrate the success of our pupils. Please look at our new website for all of the details of the forthcoming events. We also have more building work taking place as follows:

- Renovation of the indoor toilets to create more capacity.
- Extension of I-Class to provide more SEND support.
- Creation of a Behaviour Hub, offering more support from our Pastoral Team.
- A new 6 classroom block next to the Tennis Courts.

We continue to be committed to improving the premises until we have been informed by the DFE of the timescale for the new school build.

Finally, I am excited to welcome our new Year 7 pupils who will begin their transition to Golborne High over the next few months. Please can I wish you all a lovely Half Term and thank you for your support throughout the year.

Yours faithfully

A Gormally
